CONTRACT APPROVAL NO. 63-2

CONTRACT SB-3661

SUBJECT: Procurement of Vehicle Hardware Systems

TO: Contracting Officer

Reference is made to Wendell's letter dated 8 June 1962, Control No. OXC-3516-62.

STATINTL

[redacted] proposal has been reviewed here. At this time, it is desired that action be taken only on the seven (7) vehicle hardware systems. Decision on the remaining items will be made at a later date after a more thorough review of the matter of full pressure suits versus possible use of partial pressure suits. If you have any detailed information regarding the Indoctrination Program Item (\$34,719.00), and what it includes, please send it to me.

Kay funds in the amount of \$59,118 are authorized for the procurement of seven (7) vehicle hardware systems. These funds are derived from the recap amount established during our 27 June 1962 meeting as follows:
